Newsletter - May 2023

Dear Parents and Carers,

The last half-term was a rather busy time in our academic year. Our Year 6 children completed their end of Key Stage Two Tests and we were extremely proud of how hard they worked.

Our School Council have also been busy this half-term, delivering an assembly to the whole school about the King's Coronation which gave us all a great insight into the coronation process.

May I take this opportunity to thank you for your support with the homework challenges that we have seen across all year groups this half-term—it has been wonderful to see all of the fantastic work the children have been doing and we hope that you appreciate being invited into school to celebrate.

I hope that you have an enjoyable half-term break.

Kind regards,

Mr Mindham (Executive Headteacher)

School Council Coronation Assembly

On Friday 5th May, the school council led their very own assembly in front of the whole school which gave children an overview of the King's Coronation. The children had practiced for weeks, rehearsing their lines and building the confidence to speak in front of a large audience! Their hard work really did pay off and we were very proud of them.

Well done to:

Ava & Lenny - Y6; Thea & Emina - Y5

Grace & Rishad - Y4; Nancy & Brinley - Y3; Leo - Y2

Are you interested in supporting our school by being part of our governing body? Our governors meet every half term at 6pm to ensure the smooth running of the school. If you are interested please contact the school or download the form on our website under 'Parents > Letters Home'.

Children's Safety

Please can we remind everyone that, for the safeguarding of all children, pictures should not be taken on school premises. Thank you for your support.

Gaywood Football

The Year 6 boys battled hard throughout the year to earn a spot at the county cup finals day held at Aldiss Park in Dereham.

They played six matches in total against some tough opponents and showcased the schools' values throughout.

Reception - Butterfly Life Cycle

This half term Reception children have been learning about growing and have focused on lots of different life cycles. The children were lucky enough to have some caterpillars in their classes and were able to watch them change into beautiful butterflies. The butterflies were then re-released into the garden area.
