

Gaywood Primary School

June 2025

Dear Parents and Carers,

As we near the end of term, it's been a joy to see our pupils making the most of the many opportunities on offer—from inspiring trips and hands-on learning to sporting and academic achievements.

Thank you to all staff, volunteers and families for your continued support. We look forward to ending the year with celebration and pride, especially for our Year 6 leavers.

Kind regards,
Mr N. Mindham
Executive Headteacher

This Month's Educational Adventures

This month, our pupils have enjoyed a fantastic range of school trips, each filled with excitement, exploration and learning!

Year 1 visited Sandringham, where they explored the beautiful estate and gardens; Year 2 enjoyed a day at Banham Zoo, learning all about a wide variety of animals; Year 3 travelled to Bressingham, discovering steam trains and strolling through the stunning gardens; Year 4 had an inspiring visit to the National Space Centre, delving into the wonders of space and science.

A big thank you to all staff and volunteers who helped make these enriching experiences possible.

Year 5 Maths Challenge

Congratulations to our brilliant Year 5 team who took part in the Maths Challenge Day at KES. The children had a fantastic time collaborating and competing with pupils from other local schools. They represented our school exceptionally well and achieved a very respectable joint 4th place overall. Well done to all involved!

Reading Leaders Book Sale

A huge thank you to everyone who donated and bought books at our recent book sale. Thanks to your generosity, we raised an impressive £103!

The funds will be used to purchase picnic blankets, beanbags, and a selection of outdoor books—all to help our pupils enjoy reading in the sunshine during the warmer months.

Thank you, as always, for your continued support.
