

Gaywood Primary School

February 2026

Dear Parents and Carers,

February has been another busy and enjoyable month across the school. The children have engaged enthusiastically in Maths Number Day, embracing a wide range of activities to strengthen their confidence and love of mathematics. In EYFS, the 'Royal Banquet' was a wonderful celebration, full of creativity, imagination and teamwork. It was also fantastic to see so many of you attend our end-of-half-term Homework Challenge events—your support makes a real difference to the children's learning and pride in their work.

We have returned from the half-term break with a very positive start, and although this is a short five-week term, there is still much to accomplish and plenty to look forward to.

Thank you, as always, for your continued support and partnership with the school.

Kind Regards,

Mr N.Mindham (Executive Headteacher)

Easter Egg Raffle

We are excited to announce our Easter Egg Raffle! Kindly donated by the **Rotary Club**, the prize is an amazing **1.5kg milk chocolate Easter egg** - perfect for celebrating Easter!

All money raised will go to support our local **RSPCA** at the **Eau Brink Rehoming Centre**, helping care for and rehome animals in need.

Tickets are £1 per ticket (cash only) and are available from the school office. The winning ticket will be drawn on **Wednesday 25th March**.

Thank you for your continued support and good luck to all who enters!

NSPCC NUMBER DAY

On the Friday 6th February we participated in Number Day raising money for the NSPCC by donating £1 for 'Dress up for Digits' non-uniform. Throughout the day the children took part in lots of mathematics activities and challenges fun and creating a fun and positive attitude towards problem solving.

The total money raised for the NSPCC was **£148**. Thank you as always for your support in raising money for the charity.

Kings & Queens Day in EYFS

On Wednesday 11th February our EYFS children took part in Kings and Queens Day. The children came in dressed as kings, queens, princes and princesses. During the day the children enjoyed a royal banquet and decorated biscuits. They also learned some medieval dancing!

The day linked closely with our knowledge-rich curriculum topic, "Kings, Queens and Countries," and supported the children's learning through imaginative role play, storytelling, and discussion. Activities throughout the day helped developed key EYFS skills such as communication and language, personal, social and emotional development. We all had a really a fun and engaging day and we hope to have created some wonderful memories for your children.
